Bawdy but British. The Life of Douglas Byng. I liked the honest to goodness truth in this book. Dougie says that he had a marvellous life doing exactly as he wanted. After all he knew he was the best, and strove to be the best in his professional life. Thank you Mr Newley, this book adds a little extra to the three excellent books penned by Dougie. We laughed, and remember him well. Christine Byng Gribble.

Bawdy But British! The Life of Douglas Byng. by Patrick Newley Simon Callow wrote in The Guardian (29.08.09) Newley's view of this (theatrical) world is absolutely and uniquely authentic. Of all his subjects, Byng was the biggest star . . . Patrick Newley manages to use his affectionate closeness to Douglas Byng to reveal his life in all its stylish glory, but without any loss of shrewd ...

Billed as "Bawdy but British", Byng was famous for his female impersonations. His songs are full of sexual innuendo and double entendres. An openly gay performer, Byng was noted for his camp performances in the music halls and in cabaret. Byng made a large number of recordings, many of which have been transferred to CD.
