## [The Romantic Movement - Alain de Botton - Complete Review](#)

Tue, 28 May 1996 23:54:00 GMT

*The Romantic Movement is a modern story of modern love. It is the story of Alice, who works in advertising, and Eric, who works in banking, and the relationship that develops (and then dissolves) between them. De Botton uses them as a case study, examining all the aspects that go into their relationship (including the "sex, shopping and the novel" of the subtitle), drawing graphs and ...*
